

Because a smile can change the world

MAY, 2018

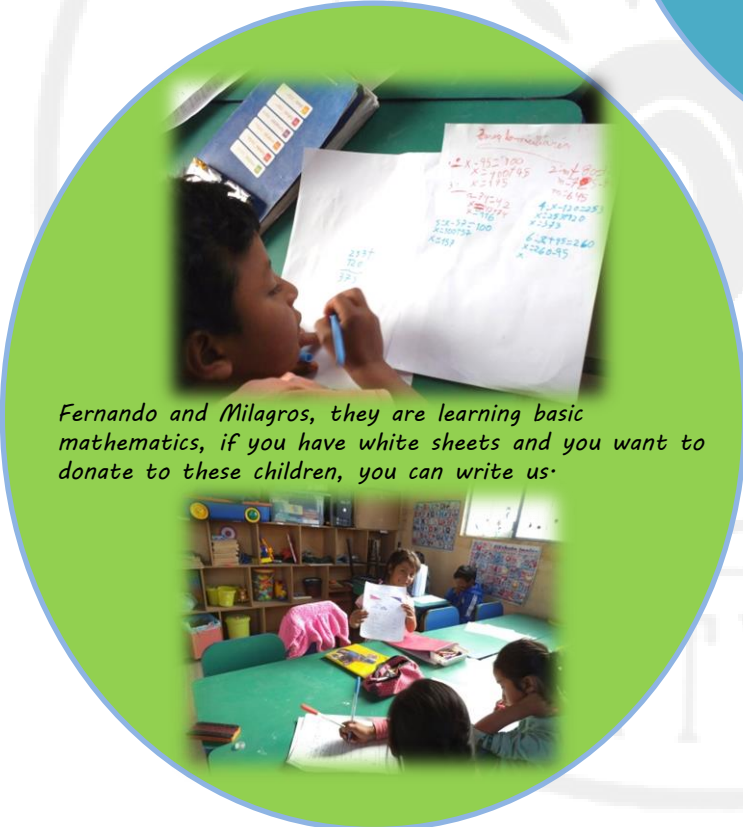

This month we had different educational activities and teamwork.

Teamwork is better than an individual job

May is Mother's month, so each student made a nice gift for her Mom. HAPPY DAY MOM.

Fernando and Milagros, they are learning basic mathematics, if you have white sheets and you want to donate to these children, you can write us.

Baking a keke, the class was the ingredients and the recipe in English.
